ErgoPlus este un program de mobilier de birou dezvoltat de GreenForest cu precadere pentru spatiile largi de tip "open space".

La ErgoPlus, accentele sunt puse pe functionalitate, design si diverse solutii pentru asigurarea intimitatii si imbunatatirea acusticii la nivelul postului de lucru.

ErgoPlus este de asemenea o optiune potrivita pentru amenajarea cu mobilier a posturilor de lucru de tip mobil - rotativ - shared workspace.
