PROJECTS

For a Great Office Experience.

FURNITURE MANUFACTURER SINCE 1992

We design and manufacture office furniture and also, we have become one of the most significant companies in the field of interior design in Romania. The quality and simplicity of GreenForest furniture is the result of years of experience and developments in the Romanian and other EU markets. We ensure quality solutions to levels reachable to any company budget for a great office experience.

Our production plant is located in Timisoara Romania and is capable of more than 3000 units/month. We have clients also in other European Countries like: United Kingdom, Germany, Luxemburg, Italy, Hungary, Slovakia, Serbia, Moldova, Bulgaria.

The GreenForest team counts more than 120 employees that aim to deliver sustainable projects and build trust.

SUSTAINABILITY THROUGH SOLUTIONS & PRODUCTS

Sustainability, through well-designed products, represents a commitment to eco-conscious practices.

GreenForest's products are created with minimal environmental impact, promoting long-term resource conservation and a healthier planet for future generations.

The application of sustainable development principles and the assurance of process and product quality at GreenForest are carried out through the integrated Quality and Environmental Management System, compliant with the ISO 9001 and ISO 14001 standards.

From January to March 2021, no events with negative impacts on the environment and people were recorded in GreenForest's activities.
